ALBA-TCP CONGRATULATES VENEZUELA ON ELECTION DAY

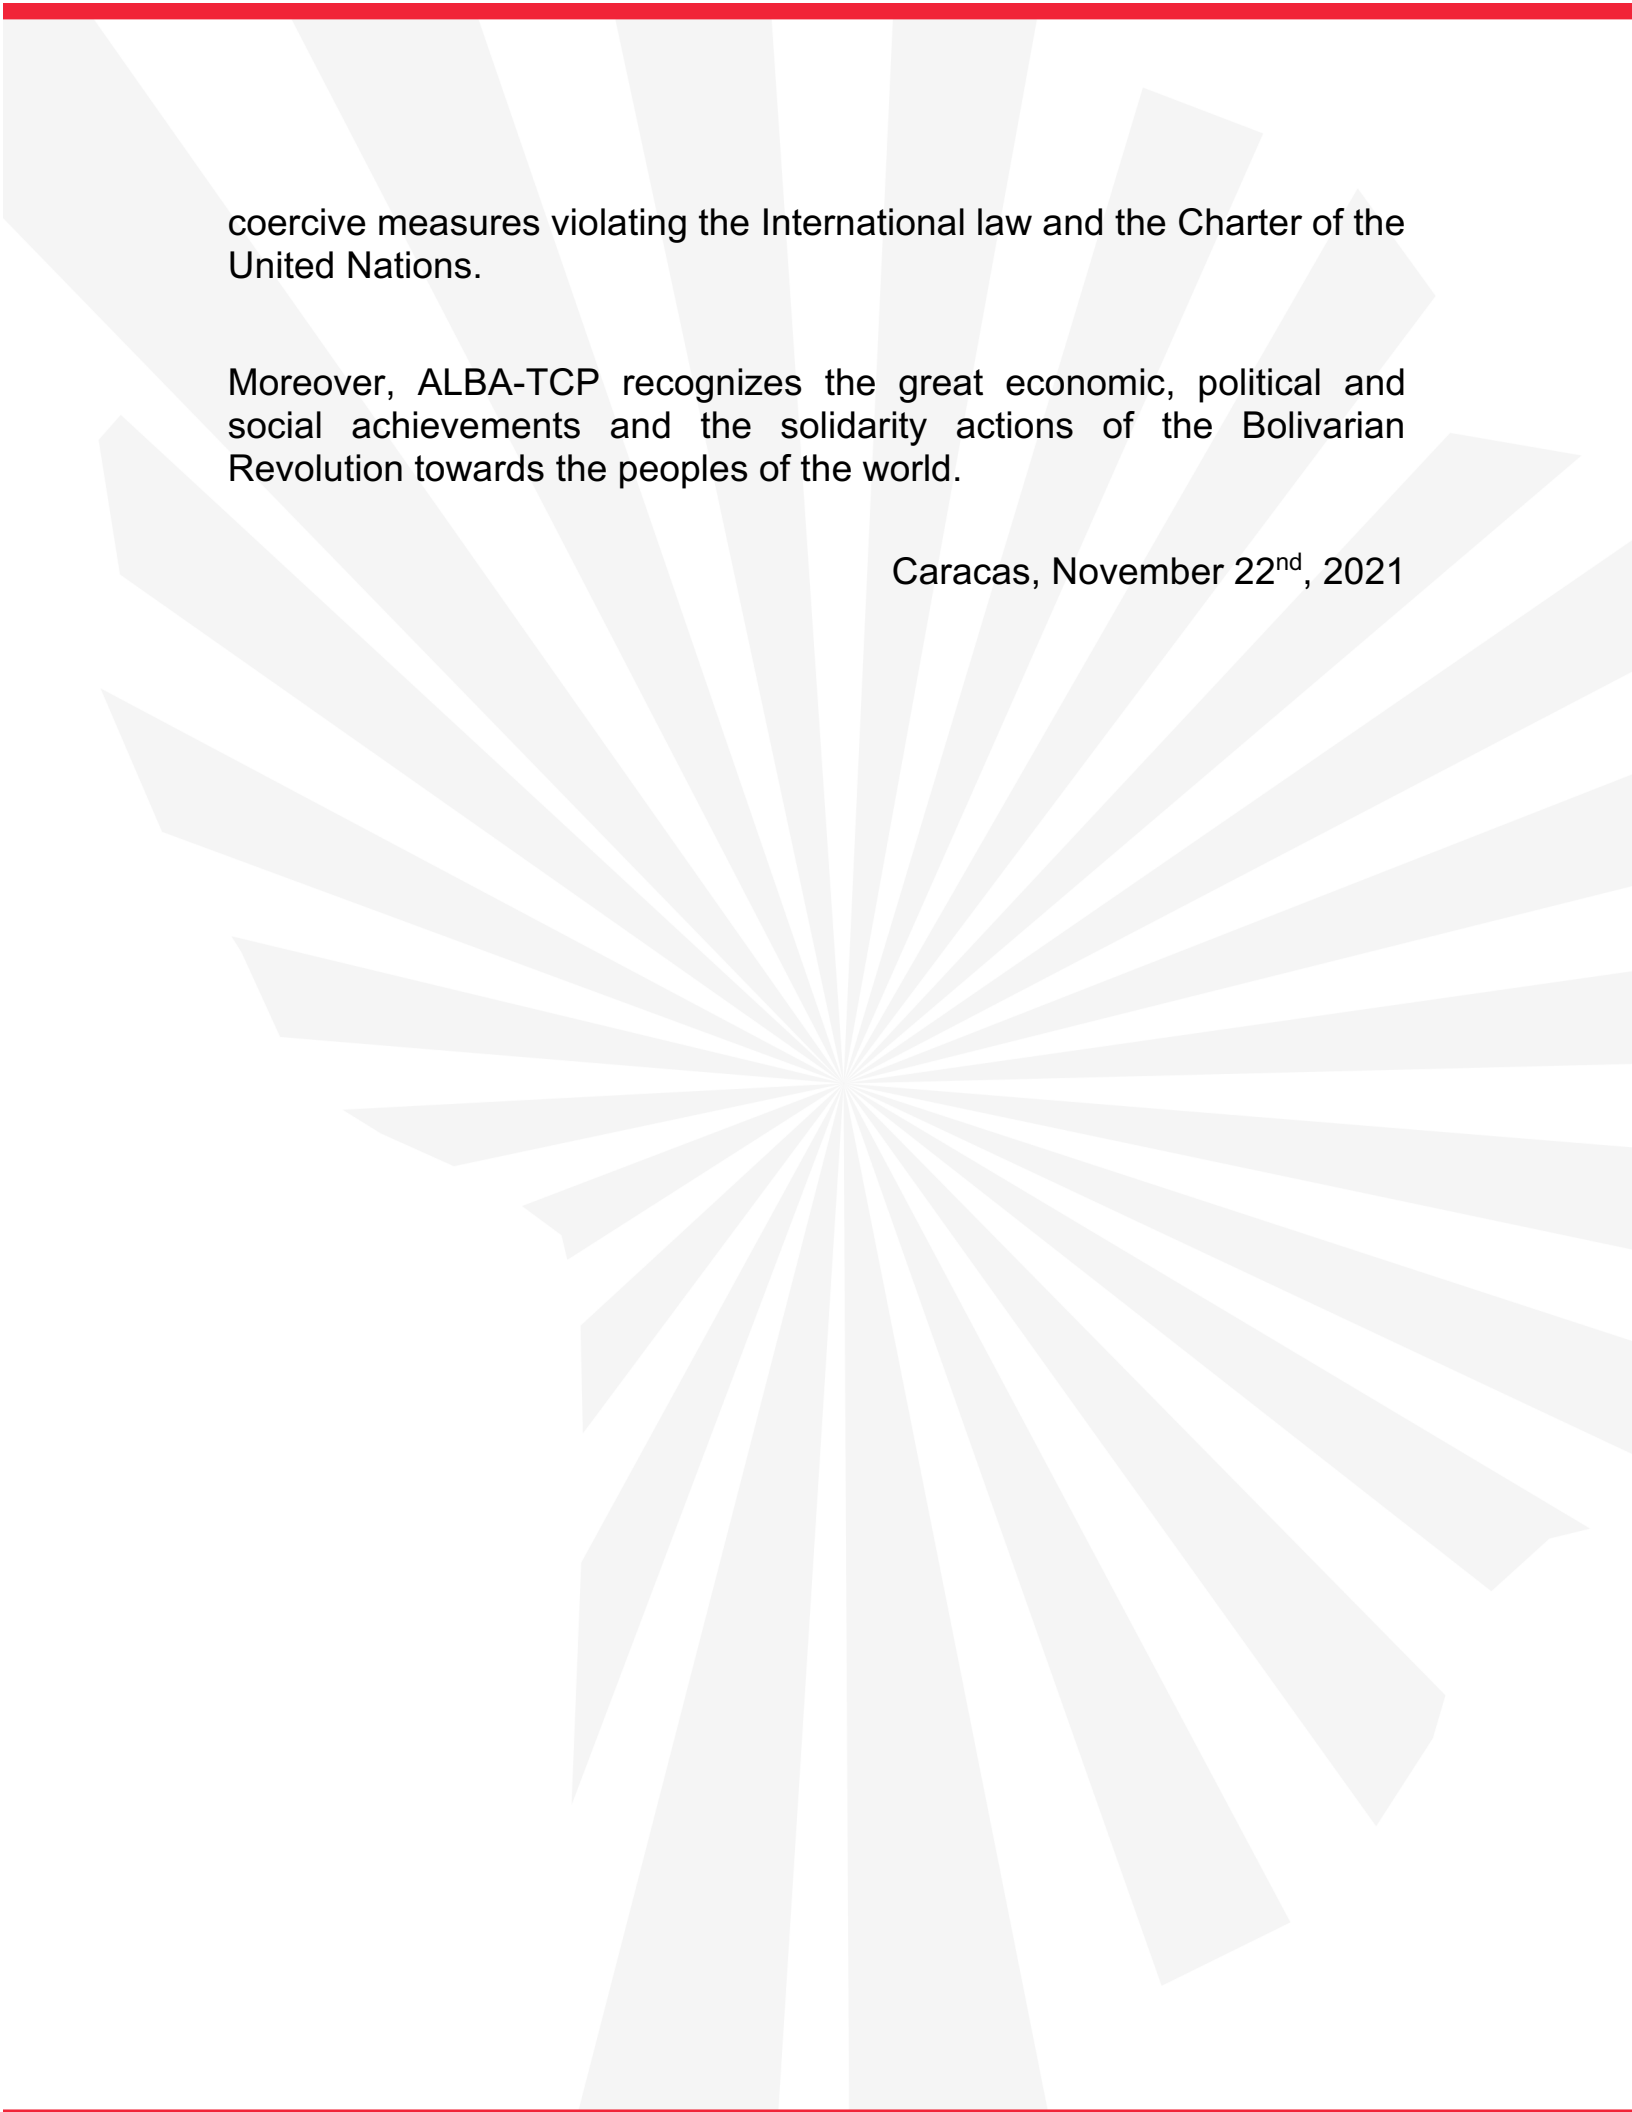

The member countries of the Bolivarian Alliance for the Peoples of Our America – People's Trade Treaty (ALBA-TCP) congratulate the people and institutions of the Bolivarian Republic of Venezuela on the occasion of the "2021 Venezuelan Regional Elections", held on November 21st, in which the executive and legislative positions of the 24 federal states and the 335 municipalities of the country were elected.

Likewise, it is worth highlighting the democratic spirit of the Venezuelan people, the peaceful atmosphere on election day and the civic participation of the people in the election of their representatives.

Furthermore, it is important to underline the role of the National Electoral Council which, by implementing one of the safest and most reliable electoral systems in the world, guarantees respect for the people's will in the vote while complying with strict biosecurity measures in the face of the COVID-19 pandemic.

In addition, the Alliance stresses the transparency of the electoral process involving the presence of observers and election monitors from over 55 countries.

The Alliance welcomes the successful development of the elections, despite the threats of interference and the imposition of unilateral

coercive measures violating the International law and the Charter of the United Nations.

Moreover, ALBA-TCP recognizes the great economic, political and social achievements and the solidarity actions of the Bolivarian Revolution towards the peoples of the world.
