THE ALBA-TCP EXECUTIVE SECRETARIAT CONDEMNS TERRORIST ATTACKS AGAINST THE VENEZUELAN FACILITIES

The Executive Secretariat of the Bolivarian Alliance for the Peoples of Our America – People’s Trade Treaty (ALBA-TCP) strongly condemns the terrorist attacks on a gas pipeline managed by the State-owned oil company PDVSA of the Bolivarian Republic of Venezuela, as well as on a medicine warehouse of the Venezuelan Institute of Social Security (IVSS in Spanish), which had 134 new hemodialysis machines that would be used to provide 1,800 monthly treatment sessions, on July 16 and August 17, 2022, respectively.

We denounce and reject these terrorist actions that threaten peace, stability and security of the Venezuelan people.

The ALBA-TCP Executive Secretariat expresses its solidarity and support to the Government of President Nicolás Maduro and the people.
